

## Eden Island in Seychelles

Thanks to advanced features of 100% duty cycle, heavy duty and long lifetime, DASHOU was chosen by "Eden Island in Seychelles" to be the supplier of Barrier Gate. Three units of 2 seconds barrier gate with 4 meters straight arm and crank arm have been successfully installed at the entry in the first phase, and all three barrier gate have been working fine since their installation. The owner and the installer are impressed and satisfied with DASHOU barrier gate, more barrier gate will be installed in the rest phases in the near future.

DASHOU'S Barrier Gate is powered by torque motor, was especially designed for highway toll gate, car park of shopping mall, airport, hotel, exhibition, hospital and residential community.

See below more photos of installation located at:
