

Dashou Barrier Gates at Lima International Airport in Peru

Thanks to advanced features of 100% duty cycle, heavy duty and long lifetime, DASHOU was chosen by Lima International Airport in Peru to be the supplier of Barrier Gate. Five units of barrier gate PAB-B-NSN (4s/ 6m) has been successfully installed and has been working fine since their installation. The owner and the installer were impressed and satisfied with DASHOU's barrier gate, agreed to install more barrier gates for its other premises in the future.

DASHOU'S Barrier Gate PAB-B Beyond series is powered by torque motor, was especially designed for highway toll gate, car park of shopping mall, airport, hotel, exhibition, hospital and residential community.
