

## Dashou Barrier Gates at VDD hotel Downtown Dubai

Thanks to advanced features of cost-effective, heavy duty cycle and long lifetime,, DASHOU was chosen by **VDD Hotel(200 parking bays)** in Dubai to be the supplier of Barrier Gate. Two units of folding arm barrier gate PAB-E2-NCN (6s/ 3.5m) has been successfully installed and has been working fine since their installation. The owner and the installer were impressed and satisfied with DASHOU's barrier gate, agreed to install more barrier gates for its other premises in the future.

As an economic,secure and convenient solution of stopping unauthorized vehicle or giving access to authorized vehicle, Electromechanical turbine vortex pole motor barrier PAB-E2 Economic is the right economic choice for your parking of both industrial and residential.It is durable, accurate, flexible and safe, and of course, you can afford it thanks to its economic design. It assembles with Aluminum alloy octagonal boom with straight arm with max.6 mtr length (telescopic arm is optional), and folding arm with max. 5 mtr length, with open/close time from 1.5 to 6 seconds.
